

July Update

Summer Students
Reopening to the Public
Military Heritage Trail Tour
Our Gardens

Introducing our Summer Students

My name is Georgia Graham and I am very excited to be working at Billy Bishop Museum this summer. I enjoy learning history, especially local history. This summer, I will be involved in many activities at the museum, however, I am most excited to be assisting in the Ghost Walks.

My name is Morgan Hayter and I have a keen interest in history and aviation. Currently I am a member of the Air Marshal Billy Bishop Air Cadet Squadron in Owen Sound. I will be working as a Museum Assistant and looking forward to supporting this historic treasure in the heart of the city.
